The screenshot shows a web form titled "Security Questions". It contains four input fields, each with a question and a right-pointing chevron icon. The questions are: "What is the name of your first pet?", "Where did you meet your spouse for the first time?", "In what year (YYYY) did you graduate from high school?", and "Confidence Word". At the bottom of the form are two buttons: a blue "Sign Up" button and a white "Cancel" button with a grey border.

Multi factor Authentication

Members will also be required to complete the following MFA (Multi factor Authentication) setup steps:

- **Authentication Questions** – Members will need to choose answers for three different MFA questions. These questions are presented to members when they log in from an unfamiliar pc.
- **Confidence Word** – Members will need to select a confidence word that will appear when they log in. The confidence word is used to verify that the member is logging into the correct site and will be visible at login.
