

As we welcome warmer days and look ahead to an exciting year, I want to take a moment to reflect on the many things we've accomplished together. In 2024, we proudly participated in over 20 community events, from local festivals to golf outings and youth-focused activities. We're excited to continue this momentum in 2025 with even more opportunities to connect, give back, and grow.

Speaking of exciting events – our Annual Meeting was held on March 8! It was wonderful to connect with so many of our members and share updates about the credit union's growth and future plans. Congratulations to our cash prize drawing winners!

In 2024, we strengthened our commitment to the community, and we're looking forward to carrying that progress forward into 2025. Stay tuned for more opportunities to engage with us and take advantage of the products and services designed to help you achieve your financial goals. Here's a look at a few things we've already introduced this year:

- Personalize your debit card with Debit by Design, now available again! Members can choose from a variety of custom card designs to reflect their style. For all new cards, the fee is just \$10.
- We've updated our Member Referral Program to make it easier for you to share the benefits of membership with friends and family. Now, when you refer someone who opens a qualifying account, you'll receive a \$25 bonus! Visit our website to learn more about qualified referrals.
- We've refreshed our Star Savers Kids Club to encourage young savers to develop smart financial habits early. Kids Club members can now participate in monthly savings activities to earn prize wheel spins and fun rewards.

Sincerely,

Robin Juhler
President, The Credit Union for All

Fraud Prevention Reminders: Protect Yourself This Tax Season
