

As Spring arrives, it brings a sense of renewal and fresh momentum. It's a great time to refocus on goals, make small improvements, and take the next steps toward a stronger financial future. At The Credit Union for All, we're here to support you every step of the way, because when people come before profits, every decision we make is focused on helping our members succeed. Here's what's happening at your credit union this season:

Annual Meeting Recap

Our Annual Meeting was a wonderful success, and we're grateful to everyone who joined us. Members came together to reflect on the past year and hear updates about the future. Attendees also enjoyed treats from local businesses and had the chance to spin our prize wheel for cash prizes, with one lucky member taking home a \$500 door prize. Thank you to everyone who helped make the event a success.

Technology Updates

We're excited to introduce new technology designed to make managing your finances easier. Soon, we'll launch a refreshed website with improved navigation, as well as Savvy Money inside online banking — a tool that lets you monitor your credit score, receive alerts, and explore ways to strengthen your financial health. Be on the lookout for these exciting new updates!

Earn \$50 With a Referral

Our new 50/50 Member Referral Program is here! When you refer a friend or family member to The Credit Union for All and they qualify, you'll **BOTH** receive \$50. It's our way of saying thank you for helping grow our community, because when you share the good, we all grow together. For more information on our new referral program, go online to cuforall.com.

Identity Theft Info Booklets

We now have Identity Theft Prevention booklets available for all at our office. These helpful guides explain what identity theft is, common tactics used by scammers, and practical steps you can take to protect your personal information. Stop by the office to pick up a copy and learn how to better safeguard yourself and your finances.

Ever Thought About Becoming a Board Member?

The Credit Union for All is guided by a volunteer Board of Directors made up of members who help shape the direction and policies of the credit union. These individuals work to ensure we continue serving our members and community responsibly. If you've ever had interest in becoming a board member, we encourage you to contact us to learn more about the opportunity. To express your interest, reach out to Evan Burie at evan@cuforall.com.

This spring and beyond, we remain thankful for the trust you place in us. We'll continue working to improve your banking experience, strengthen our services, and support the financial goals that matter most to you. Thank you for being part of The Credit Union for All, we're proud to grow alongside you.
